

# Michael Kiske & Amanda Somerville, Silence

Michael Kiske

Is it just a dream or is it just a deja vu from nowhere?  
I hide myself my feelings where hurt long ago  
Just curious in the middle of a lonely road  
I turn myself away through the day

Amanda Somerville

I'm running in the night  
Got nowhere else to hide  
I'm looking through this wounding heart inside me

Michael Kiske

I'm walking without aim  
No destination pouring rain  
Or is it just the end my lonely road

Hear now, I wonder how can feelings hurt  
Hear now, when silence speaks louder than words

Michael Kiske

No regret, another morning in another place  
No looking back, just turn myself away  
There is innocence and silence that starts long ago  
A destiny without you

Michael Kiske

I'm running in the night  
Got nowhere else to hide  
I'm looking through this wounding heart inside me

Amanda Somerville

I'm walking without aim  
No destination pouring rain  
Or is it just the end my lonely road

Amanda Somerville

I am ready for a fight no matter how you try  
I would be the one surviving without fortress

Michael Kiske

I would mend my broken heart, you can't tear it apart  
Or is it just the end my lonely road

Hear now, I wonder how can feelings hurt  
Hear now, when silence speaks louder than words  
Hear now, I walk the boulevard of lonely dreams  
Hear now, no matter if my end is near
