

# Michael Kiske, When You're Down On You're Knees

WHEN YOU'RE DOWN ON YOU'RE KNEES THAT WHEN YOU'RE CLOSEST TO HEAVEN

I don't believe what you're saying  
I don't believe a word  
You never did anything that was true  
And hate will be your final work

I wouldn't dance at your party  
No, I wouldn't risk a dance  
And for the rest of my time  
I will keep it mind  
I will look at your life and will find:  
When you're down on your knees  
That's when you're closest to heaven

I don't believe when you're smiling  
I don't believe in your mask  
You hardly say anything you don't use  
All your life is a lie at it's best

Your love means never another  
Is there anything left that is true?  
You will end all alone  
With no peace of your own  
'Cause the god of love you've never known!  
When you're down on your knees  
That's when you're closest to heaven

I guess you'll never get it  
You'll never regret all the broken hearts  
You've left behind  
If there's one thing that you'll never find -  
It's a peace of mind

There's always one a lonely street  
Walking his way to the sun  
There's always one  
That takes the whole world's greed  
All on his back and it's done  
And ever since the world's turning  
There's always a fool that is leading the blind  
If there's one thing that you'll never find -  
It's a peae of mind

Your thoughts are so low it's a shame  
That's why for you everyone else is low  
People see life through the glass in their hearts  
So the fruits of your doings do show

In this world it all could mean maybe  
But on the other side you'll hear it loud  
I know time clears the clouds  
One day you won't walk so proud  
It will all be revealed there's no doubt  
'Cause when you're down on your knees  
That's when you're closest to heaven

When you're down on your knees  
That's when you're closest to heaven
