

Michael Kiwanuka, One and Only

I chased the waterfalls
I was the leaving kind
I never wasted time
You walked towards my call
You saw the warning signs
And didn't pay no mind

You got too much pride
Breaks your heart each time
You keep it all inside
I know you don't right now
But soon you'll see somehow
I'll never say goodbye

Young hearts burning
Wherever they take us to
Oh, darling
I'm always with you

My one and only, one and only
For the days, for the days ahead
One and only, one and only
Look again, look again my dear

I hope you realise
Memories are the compromise we need to feel alive
Though our dreams may die
No living in disguise, all we need is time

Old hearts yearning
Whatever we're going through
Oh, darling
I'm always with you

My one and only, one and only
For the days, for the days ahead
One and only, one and only
Look again, look again my dear

One and only, one and only
For the days, for the days ahead
One and only, one and only
Look again, look again my dear

One and only, one and only
One and only, one and only
One and only, one and only
