

Michael Learns To Rock, Blue Night

Lately you have been asking me
if all my words are true
Don't you know I'll do anything for you

Sometimes I haven't been good to you
Sometimes I've made you cry
And I am sorry for everything

but I promise you girl
I promise you this

Chorus:
When the blue night is over my face
on the dark side of the world in space
When I'm all alone with the stars above
you are the one I love

So there's no need to worry girl
My heart is sealed for you
And no one's gonna take it away

cos' I promise you girl
I promise you this

Chorus:
When the blue night is over my face
on the dark side of the world in space
When I'm all alone with the stars above
you are the one I love

Your voice is calling to me in my dreams
My love is stronger than it's ever been

Chorus:
When the blue night is over my face
on the dark side of the world in space
When I'm all alone with the stars above
you are the one I love(x2)
