Michael Learns To Rock, Blue Night

Lately you have been asking me if all my words are true Don't you know I'll do anything for you

Sometimes I haven't been good to you Sometimes I've made you cry And I am sorry for everything

but I promise you girl I promise you this

Chorus:

When the blue night is over my face on the dark side of the world in space When I'm all alone with the stars above you are the one I love

So there's no need to worry girl My heart is sealed for you And no one's gonna take it away

cos' I promise you girl I promise you this

Chorus:

When the blue night is over my face on the dark side of the world in space When I'm all alone with the stars above you are the one I love

Your voice is calling to me in my dreams My love is stronger than it's ever been

Chorus:

When the blue night is over my face on the dark side of the world in space When I'm all alone with the stars above you are the one I love(x2)
