

# Michael Martin Murphey, What's Forever For?

I've been looking at people  
And how they change with the times  
And lately all I've been seeing are people  
Throwing love away and losing their minds

Maybe it's me who's gone crazy  
But I can't understand why  
All these lovers keep hurting each other  
When good love is so hard to come by

So what's the glory in living  
Doesn't anybody ever stay together anymore  
And if love never lasts forever  
Tell me what's forever for

And I see love hungry people  
Tryin' their best to survive  
When right there in their hands  
Is a dying romance  
And they're not even trying to keep it alive

So, what's the glory in living  
Doesn't anybody ever stay together anymore  
And if love never lasts forever  
Tell me what's forever for

So what's the glory in living  
Doesn't anybody ever stay together anymore  
And if love never lasts forever  
Tell me what's forever for
