Michael Martin Murphey, What's Forever For?

I've been looking at people And how they change with the times And lately all I've been seeing are people Throwing love away and losing their minds

Maybe it's me who's gone crazy But I can't understand why All these lovers keep hurting each other When good love is so hard to come by

So what's the glory in living Doesn't anybody ever stay together anymore And if love never lasts forever Tell me what's forever for

And I see love hungry people Tryin' their best to survive When right there in their hands Is a dying romance And they're not even trying to keep it alive

So, what's the glory in living Doesn't anybody ever stay together anymore And if love never lasts forever Tell me what's forever for

So what's the glory in living Doesn't anybody ever stay together anymore And if love never lasts forever Tell me what's forever for
