Michael McDonald, I Can Let Go Now

(Michael McDonald)

It was so right, it was so wrong Almost at the same time The pain and ache a heart can take No one really knows

When the memories cling and keep you there Till you no longer care And you can let go now

It's wrong for me to cling to you Somehow I just needed time From what was to be-it's not like me To hold somebody down

But I was tossed high by love I almost never came down Only to land here Where love's no longer found Where I'm no longer bound And I can let go now
