## Michael McDonald, On My Own

(Burt Bacharach & Sayer)

So many times
Said it was forever
Said our love would always be true
Something in my heart always knew
I'd be lying here beside you

On my own On my own On my own

So many promises
Never should be spoken
Now I know what loving you cost
Now we're up to talking divorce
And we weren't even married

On my own Once again One more time By myself

No one said it was easy But it once was so easy Well I believed in love Now here I stand

I wonder why I'm on my own Why did it end this way (on my own) This wasn't how it was supposed to be (on my own) I wish that we could do it all again

So many times
I know I could have told you
Losin' you, it cuts like a knife
You walked out and there went my life
I don't want to live without you

On my own Once again This wasn't how it was supposed to be (on my own) I wish that we could do it all again (on my own) I never dreamed I'd spend one night alone By myself

I've got to find out what was mine again (on my own) My heart is saying that it's time again (on my own) And I think that I'm as sure as you
