

Michael McDonald, Reach Out, I'll Be There

Now if you feel that you can't go on
Because all your hope is gone
And your life is filled with much confusion
And happiness is just an illusion
And the world around is tumblin' down
Darling, reach out
Come on, girl, reach out, for me, reach out for me.

I'll be there with the love I'll shelter you
I'll be there with the love I'll see you through

When you're alone and about to give up
'cause your best just ain't good enough
And you feel the world has grown cold
And you're driftin' on all on your own
When you need a hand to hold
Darling, reach out
Come on, girl, reach out, for me, reach out for me.

I'll be there with the love I'll comfort you
I'll be there with the love I'll see you through

I'll be there now baby you can always count on me
Reach out baby

I can tell the way you hang your head
You are alone now, and you're afraid
Through your tears you look around
But there's no peace of mind to be found

I know what you're thinking
You're alone now, with no love of your own
Darling, come on girl
Reach out for me
Reach out for me

I'll be there with the love I'll shelter you
I'll be there with the love I'll comfort you

I'll be there now baby, you're always a friend of me
I'll be there with the love I'll comfort you
No, run to me
Cause I'll be there, baby
I will always shelter you
When you feel like you can't go on
