

Michael Mind, Baker Street

Winding your way down on Baker Street
Light in your head and dead on your feet
Well another crazy day, you'll drink the night away
And forget about everything
This city desert makes you feel so cold
It's got so many people but it's got no soul
And it's taken you so long to find out you were wrong
When you thought it held everything
Winding your way down on Baker Street
Light in your head and dead on your feet
Well another crazy day, you'll drink the night away
And forget about everything
This city desert makes you feel so cold
It's got so many people but it's got no soul
And it's taken you so long to find out you were wrong
When you thought it held everything
