

Michael Mind, Two Three Four

Okay everybody
Stand with your feet together
And now's the time

Two, three, four, five, six, seven, eight and right
Two, three, four, five, six, seven, eight and left
Two, three, four, five, six, seven, eight and back

Reverse the ball to the opposite side
Circle forward, stomp your feet
And start to move it on the beat

Two, three, four, five, six, seven, eight and back

Two, three, four, five, six, seven, eight and right
Two, three, four, five, six, seven, eight and left
Two, three, four... Two, three, four... and left

Two, three, four, five, six, seven, eight and right
Two, three, four, five, six, seven, eight and left
Two, three, four, five, six, seven, eight and back
