

Michael Monroe, Just Because You're Paranoid

I sit outside, feel no connection with the outside world
I tried reach out and touch
But people seem already all so touched
But then of course I'm the one they call obsessed

Because I care
In growing despair
The George Orwell Stare

*) JUST BECAUSE YOU'RE PARANOID
DON'T MEAN NOBODY'S WATCHING
JUST BECAUSE YOU'RE PARANOID
DON'T MEAN NOBODY'S WATCHING,
IT'S MORE THAN LIKELY THAT THEY ARE

Yeah well, let's lighten up, talk weather for a change
Bin' a little strange lately
Hey, isn't that your house...
That's just floating by you right now!

I hope you're insured
The storms at your door
