

# Michael Nesmith, Dance

Here comes another blow  
You take it on the chin  
But oh no mama  
You just don't understand  
I said all I wanna do  
Is dance & have a good time  
I said all I wanna do  
Is dance a dance or two  
And have a good time

I'm stuck in the freeway  
I'm stuck in the woods  
I'm trying like the dickens  
Not to get stuck for good  
All I wanna do  
Is dance & have a good time  
I said all I wanna do  
Is dance around with you  
And have a good time

Come on fly away with me baby  
Yeah just fly away with me  
Let's hit the streets  
We'll find a retreat  
And dance away all this mystery

Yeah I'm workin' every day  
And I'm trying to make a dollar  
Bored to distraction  
I'm just tryin' not to holler  
I said all I wanna do  
Is dance and have a good time  
I said all I wanna do  
Is dance around with you  
And have a good time
