

# Michael Nesmith, Hear Me Calling?

Hear me calling,  
Calling from deep inside of you  
While you're crying?  
Calling and telling you you're fine.

Wisdom speaking,  
Loving you all the while  
While you are crying.  
Loving you and knowing that you're fine.

See the lingering doubts cast  
Now fading with the gloom.  
Showing you at long last  
The welcoming arms of Truth.

So don't cry, my good friend.  
Fear has no substance of its own.  
These problems simply  
Are coming to be answered.

See the lingering doubts cast  
Now fading with the gloom.  
Showing you at long last  
The welcoming arms of Truth.

So don't cry, my good friend.  
Fear has no substance of its own.  
These problems simply  
Are coming to be answered.

Fear has no substance of its own.  
These problems simply  
Are coming to be answered.

Hear me calling?  
Hear me calling?  
Hear me calling?  
Hear me calling?  
Hear me calling?  
Hear me calling?  
Hear me calling?  
Hear me calling?  
Hear me calling?
