

# Michael Nesmith, Horserace

There were thirty thousand fans watched the race from the stands  
At the fairgrounds in Baltimore.  
And the reason that they came were two horses by the name  
Of Beauty and The Magnum Force.  
Of Beauty and The Magnum Force.

There was tension in the crowd when the message was announced  
That all the other horses had been scratched.  
It would be Beauty and The Force alone on the course.  
We had to put our money on the first or the last.  
We had to put our money on first or the last.

Said, come on Beauty, bet on the Beauty  
I'm bettin' on Beauty to win  
You got the power I saw it in your eye  
You got the power to win  
Oh my Beauty, run like a rocket  
You run like a rocket, you win  
Yeah, that's it, Beauty you're a lot more than pretty  
My Beauty's runnin' to win

There was a thirty minute wait while they realigned the gate  
So before I bet I made one final check.  
The Magnum Force was lookin' sleek but I figured she was weak  
'Cause she was sassy while the Beauty was laid back.  
She was sassy and the Beauty was laid back.

So, come on Beauty, I'm bettin' on Beauty  
I'm bettin' on Beauty to win  
I said, you got the power, I saw it in your eyes  
You got the power to win  
Oh my Beauty, you run like a rocket  
Run like a rocket, you win  
Yeah, that's it, Beauty you're a lot more than pretty  
My Beauty's runnin' to win

The Beauty had it won from the sound of the gun  
She was smokin' and The Magnum Force looked sad.  
A lot of folks were really chapped they figured Magnum had it wrapped  
They didn't know that the Beauty was so bad.  
They didn't know that the Beauty was so bad.

Said, look at Beauty, she runs like a rocket  
She runs like a rocket to win  
Yeah, she's got the power I saw it in her eyes  
She's got the power to win  
Oh, my Beauty keep on runnin' runnin'  
I know my Beauty will win  
Yeah, my Beauty, she's a lot more than pretty,  
My Beauty ran and she won

Said, come on Beauty, I'm bettin' on the Beauty  
Bettin' on the Beauty to win  
I know she's got the power 'cause I saw it in her eyes  
I know she's got the power to win  
So come on, Beauty, you run like a rocket  
Run like a rocket, you win  
Yeah, that's it, Beauty, you run like a rocket  
You run like a rocket, you win
