

# Michael Nesmith, Lady Of The Valley

Night, endless night  
Bright, seeing bright  
Now is the time  
Lady of the valley  
You are mine

Days, sleeping days  
Waves, gentle waves  
Join in the rhyme  
Lady of the valley  
You are mine

Night, endless night  
Bright, seeing bright  
Now is the time  
Lady of the valley  
You are mine

Lady of the valley  
You are mine...
