

# Michael Nesmith, Some Of Shelly's Blues

Just one more time the reasons why you must leave  
Tell me once more why you're sure you don't need me  
Tell me again but, don't think that you'll convince me

Now you've said  
Before falling in love again you'd rather be dead  
'Cause when someone breaks your heart, you cry your eyes red  
But there's nothing so hard about the life that you've led

As far as I can see  
There's no reason for goodbyes  
You're just running scared  
And that's something I won't buy

So you lose  
I won't let you go with nothing to show but more blues  
And all this talk about leaving is strictly bad news  
So you settle down and stay with the man that loves you

So you lose  
I won't let you go with nothing to show but more blues  
And all this talk about leaving is strictly bad news  
So you settle down and stay with the man that loves you  
Yes, you settle down and stay with the man that loves you  
Yes, you settle down and stay with me babe
