

Michael Nesmith, Tanya

Lovely Tanya in nights of jasmine
And white kimonos of shiny satin
Where laughing Buddha meets golden dragon
And hearts are given with such conviction
Oh, lovely Tanya with eyes that shimmer
Of love like a waterfall

Ah, how she laughs
Ah, how she sings
Ah, watch her dance

Lovely Tanya with ancient wisdom
She greets her lover in misty visions
And long embraces spark lost impressions
Of past romances of great duration
Oh, lovely Tanya with eyes that shimmer
Of love like a waterfall

Ah, how she laughs
Ah, how she sings
Ah, watch her dance

Lovely Tanya with words unspoken
My heart is captured, the web is woven
And we surrender to joy's caresses
The love that's offered has been accepted
Oh, lovely Tanya with eyes that shimmer
Of love like a waterfall

Eyes of love like a waterfall
Eyes of love like a waterfall

Love like a waterfall
Hearts are given with such conviction
Love like a waterfall
Like past romances of great duration
