

# Michael Penn, Selfish

I want to you understand  
That I want you  
And I want you  
The way I do and  
I want you to want to have it done to you

I'm so selfish  
I am so selfish  
I am so selfish

I'm absorbed I am absolved  
It's best that you don't get involved  
It is not conscious, be assured  
And it's not like I haven't heard

I'm so selfish  
I am so selfish  
I am so selfish  
So selfish  
I'm so...

I am so selfish  
I am so selfish  
I am so selfish

In dust we end industrial  
Virtuous or virtual  
You might find a prince of men  
Until that time my name is Penn

And I am selfish  
I am so selfish  
I am so selfish  
So selfish  
I'm so selfish  
I am so selfish  
So selfish  
I'm so selfish  
I am so selfish  
So selfish  
I'm so...
