

# Michael Reich, Before I Let It Go

Before I let it go

I remember when You gave me everything Then it disappeared Like the winter in the spring In every t  
In the quiet of night I pray for you More than you'll ever know And whatever you feel for me

Will you ever be able to let it show Before I let it go

I stood alone before you In mute testimony Knowing all the while The danger that could be Did I not s  
Dream a dream Life is hard One thing you can bet I will not forget
