

Michael Reich, Live For Today

Live for today

Most every night I have a dream about you
But come the light I've done all I can do
The harder that I seem to try
Time goes faster moving by
I can hear my mother say
Life is short live for today
I'm playing music
Trying to stay afloat
I spend my time
Fixing holes in this boat
Put these ducks in a row

Knock em down here we go
I can hear my father say
Life is short live for today
Can't forget about tomorrow
Can't relive the past
I just wonder if the future
Will even last
Bury me High up on the hill
Where the breezes
Turn the mighty windmills
After all it's hard to know
When it's time for you to go
I can hear the people say
Life is short live for today
