

Michael Reich, Spin

Spin

Roll over and face the brand new day
Another adventure is on it's way
Media circus goes round and
Carefully the words fly from your mouth
All my little freedoms heading south
Cracks of thunder shatt

Morning is here
Time to begin
Put on a face
And give'em a grin
And spin
Round and round like a game of words
Dizzy feeling coming on
And so on and on and on it goes
Grab the things you need before they close
Love and peace hang t
