

# Michael Reich, Where True Lovers Hide

Where true lovers hide

Hey baby what's the matter now You got all that you asked for Don't worry I won't forget you'll always

Hey baby grab your tamborine There's still time left to make the scene Got to reach way down inside

I don't mind waiting forever Let that river flow

Please don't forget me when you go To the other side Where true lovers hide Helpless in the tide Wh

I got a life built just for you I'm going to see my dream The whole way through

Hey baby now it's time to go Remember that I told you so When you look back don't you smile a bit T
