

Michael Schenker Group, Looking Out From Nowhere

As I look out into the night, I'm alone here,
There are so many empty faces around, all around me
As I try to get through, it seems like
They don't understand me:
And they keep pulling me back
To take part in their fantasies,
But I get this feeling, when I look inside,
It's such a strange feeling, I can't hide
But what can I do, where can I go,
When I've come this far
I'm looking out, looking out from nowhere
I'm looking out, looking out forever
But, now the time is right
I've got to break out to the other side
But you can never know
What the other side has got to show!
As I try to get through, it seems like
They don't understand me,
And they keep pulling me back
To take part in their fantasies,
But I get this feeling, when I look inside,
It's such a strange feeling, I can't hide
But what can I do, where can I go,
When I've come this far
I'm looking out, looking out from nowhere
I'm looking out, looking out forever
