

Michael Schenker Group, No Turning Back

The first time I felt that rush
I knew I had to take that ride
So I packed up all I had
Said I'd give it all 'till the day I die
And sometimes

That's what it takes
To win the life you're after

There's a way if you believe it
But there's no turning back
If you play you've gotta seize it

Well I never was the kind to relate
To the rules - The complicate my life
So I did things my own way
And I always heard them say
Boy - You're only wastin time

That's what it takes
To win the life I'm after

There's no turning back

There's a way if you believe it
There's a way if you believe it
