

# Michael Schenker Group, Rude Awakening

(Music: M. Schenker / Lyrics & Melodies: K. Keeling)

You know I tried to trust you  
You know I really tried  
But when I turn my back on you baby  
In goes the knife

You think you got them blinded  
Claiming all you find is yours  
Greedy two faced nothing  
Who do you think you are?

You know there's  
Gonna be a big rude awakening  
You're a phony disgrace  
They'll soon be on to you darlin  
You better find a new space

You cheated and lied this evening  
Had you planned on leaving?  
Be gone  
Your money won't buy you happiness woman  
Free to steal  
So long

You think you've got them blinded  
Claiming all you find is yours  
Think you would have learned by now  
Who do you think that you are

Gonna be another Rude Awakening  
You're a phony and a disgrace  
They'll soon be on to ya darlin  
You better find a new space
