

# Michael Schenker Group, Sea Of Memory

Silence .. Laughing&quot;  
Pushing onward in the fog&quot;  
Lost and .. Trembling&quot;  
Moving shadows in the dawn

Tide is .. Shifting&quot;  
Drifting forth and back again&quot;  
Waiting .. Tomorrow ever come&quot;  
Will the penance ever end?

What did you expect to find&quot;  
Now that you've lost it all

Sea of memory&quot;  
Time forsaken&quot;  
I can't stay&quot;  
Lead me from this place&quot;  
Sea of memory&quot;  
I hear you calling&quot;  
Riding on the waves

Sorrow .. Fills the sails&quot;  
Water beading on the lines&quot;  
Reaching .. For what was never had&quot;  
Just a victim of it all

What did you expect to find&quot;  
Now that you've lost it all

Sea of memory&quot;  
Time forsaken&quot;  
I can't stay&quot;  
Lead me from this place&quot;  
Sea of memory&quot;  
I hear you calling&quot;  
Riding on the waves

Solace.. Beckons&quot;  
Ashes falling to the ground&quot;  
Wanting.. Light that never comes&quot;  
In this place of nevermore

What did you expect to find&quot;  
Now that you've lost it all

Sea of memory&quot;  
Time forsaken&quot;  
I can't stay&quot;  
Lead me from this place&quot;  
Sea of memory&quot;  
I hear you calling&quot;  
Riding on the waves

Sea of memory&quot;  
Time forsaken&quot;  
I can't stay&quot;  
Lead me from this place&quot;  
Sea of memory&quot;  
I hear you calling&quot;  
Riding on the waves

Sea of memory  
Time forsaken  
I can't stay

Lead me from this place  
Sea of memory  
I hear you calling  
Riding on the waves
