

# Michael Schenker Group, Searching For A Reason

[Chorus:]

We all need to have good timing  
We all have the right to live  
To spend our time hurting, fighting  
We all have much more to give

The cry of the nations, Scream in our ears  
A devil will promise the breath of our fears  
Searching for the reason  
The lines are all crossed  
We fall Into darkness  
And all of us lost

[Chorus]

Searching for the reason  
The answer is lost  
We fall Into darkness  
The future is shot

[Chorus]
