## Michael Schenker Group, Searching For A Reaso

[Chorus:]

We all need to have good timing We all have the right to live To spend our time hurting,fighting We all have much more to give

The cry of the nations, Scream in our ears A devil will promise the breath of our fears Searching for the reason The lines are all crossed We fall Into darkness And all of us lost

[Chorus]

Searching for the reason The answer is lost We fall Into darkness The future is shot

[Chorus]
