

# Michael Schenker, Love to Love feat. AXL ROSE

Oh, it's been too many times and I can't go back  
Night bars, guitars, rundown motels like shacks  
What it mounts up to, I don't wanna know at all  
Lost you, and I want you today

Misty green and blue  
Love to love to love you  
Misty green and blue  
Love to love to love you  
To be somethin'  
To be near you  
Don't say that you'll never know  
Love to love to love you

Half the time, it could seem funny  
The other half's just too sad  
This westbound moon's only rise and fall  
Lost you, and I want you today

Misty green and blue  
Love to love to love you  
Misty green and blue  
Love to love to love you  
To be somethin'  
To be near you  
I don't know where I'm goin' to  
I've tried, and I need you to stay, yeah, ooh
