

# Michael Stanley, Falling In Love Again

I don't know why I came here tonight  
I don't know how this all got started...  
I'm so tired of not being right--  
of being one of the broken-hearted

I don't even know your name  
but, Darling, just the same...

(CHORUS:)

Whoever you are, I'm falling in love again  
...falling in love again  
Whoever you are, I'm falling in love again  
...falling in love again...

Killing time with a drink or two  
or maybe some conversation  
I had nothing really better to do--  
Now I'm looking for explanations

I'm so tired of love's sweet lies  
but they're not in your eyes...

(CHORUS)

(BRIDGE:)

You know, my heart's been hiding  
...but you walked in and took it away  
Now there's something that  
I gotta say, Darling...

(CHORUS)

I don't know why I came here tonight  
I don't know how this all got started...

(CHORUS)
