

Michael Stipe, In The Sun

I picture you in the sun wondering what went wrong,
And falling down on your knees asking for sympathy,
And being caught in between all you wish for and all you seen,
And trying to find anything you can feel that you can believe in.

May god's love be with you.
Always.
May god's love be with you.

I know I would apologize if I could see in your eyes.
'Cause when you showed me myself I became someone else.
But I was caught in between all you wish for and all you need.
I picture you fast asleep,
A nightmare comes,
You can't keep awake.

May god's love be with you.
Always, always.
May god's love be with you.

'Cause if I find,
If I find my own way
How much will I find, if I find,
If I find my own way,
How much will I find you,
You
I found you... You...

I don't know anymore,
What it's for,
I'm not even sure.
If there's anyone who is in the sun,
Will you help me to understand.

'Cause I been caught in between all you wish for and all you need.
Maybe you're not even sure what it's for,
Any more than me...

May god's love be with you,
Always,
May god's love be with you,
Always, Always
May god's love be with you.

'Cause if I find,
If I find my own way
How much will I find, if I find,
If I find my own way.
How much will I find, if I find,
If I find my own way.
How much will I find you...
You,
I found you... You,
Oh, I found you... You,
Oh, I found you...
