

Michael Tolcher, No One Above

I'm gonna let you in
with some poetry we begin
get loose while the record spins
i could be your new best friend
and then even more
we could click
no games, no lies, no tricks
no problems we can't fix
for love
or just for kicks

i like the way you touch me in places
i heat up
my heart races
deeper i'm falling in love

i go crazy
cus you want me
no questions
i whisper a secret confession
it's you
there's no one above
no one above

whatever it takes
i bend the rule book 'till it breaks
i'll be a true love
no mistakes
i'll be with you
as long as it makes sense
with patieince
i know
my way your wind will blow
two heart beats and one glow
ready, set, go

i like the way you touch me in places
i heat up
my heart races
deeper i'm falling in love

i go crazy
cus you want me
no questions
i whisper a secret confession
it's you
there's no one above
no one above
no one above

come on
take a chance
feel free to let your spirit dance
spark, flame, fire, and romance
its a brand new circumstance
to enhance
who you are
no bruise, no cuts, no scars
it's painless
no broken heart
baby trust me

i like the way you touch me in places
i heat up

my heart races
deeper i'm falling in love

i go crazy
cus you want me
no questions
i whisper a secret confession
it's you
there's no one above

i like the way you want me
no question
whisper a secret confession
"its you"
theres no one above

i like the way you touch me in places
i heat up
my heart races
deeper i'm falling in love
falling in love
