

Michael W. Smith, Cross My Heart

Words: Michael W. Smith and Wayne Kirkpatrick

Music: Michael W. Smith

Ink and paper, epic offers
Glass moon waltzing on the waters
Horse and carriage
I am courting the marriage
Of dreams in the wings
Of visions unseen

Chorus:

Cross my heart
Only your love will do
Cross my heart over you
Cross my heart
There is room enough for two
Cross my heart over you, over You

Inside, feels like there's a thunder
Spellbound, you've take me under
Gold and diamond
Ever saying that I'm in this forevermore
You can be sure

Chorus
