

Michał Szpak, Don't Poison Your Heart

I still really wonder why
we all do bad things and ... fight..
the scars are crying
brothers and sisters
we can change this place

Don't Poison Your Heart
remember you will feel this magic life
Don't Poison Your Heart
Don't Poison Your Heart

Oh my angels
I don't know why
someone's try to steal our lives
what is truth?
what is fake?
I here it again and again
some people says everything is on sale
tell them ... enter your head
what is truth?
what is fake?
brothers and sisters
we can change this way

Don't Poison Your Heart
remember you will feel this magic life
Don't Poison Your Heart
Don't Poison Your Heart

Don't Poison
Don't Poison

Don't Poison Your Heart
remember you will feel this magic life
Don't Poison Your Heart
Don't Poison Your Heart
