

Michał Szpak, King of the Season

Look at yourself
what do you see?
is it still you
The great King of the Season
you want more and more
you're afraid of the trap
Oh, is it you?

No one can save us
Who else will give us another chance?
It is so sad believe we fall
we don't love
we don't trust
No one can save us

Look at yourself
what do you see
lonely King of the Season
no one will look after you
no one will cry
do you know
do you know
the real reason?

No one can save us
Who else will give us another chance?
It is so sad believe we fall
we don't love
we don't trust
No one can save us
Who else will give us another chance?
It is so sad believe we fall
we don't love
we don't trust
No one can save us

No one can save us
(save us, save us)
No one can save us
Who will give us another, another chance
Another Chance?
