

# Michal, Violet Delight

Don't act like that  
Don't shut me out  
Like I'm a stranger and she's not  
You're all I dream

Violet delight

You wake me in the night

CHORUS:

It's rare that I should care this much

It's stupid that I want your touch

But now I understand

That you can't live with all I am

Don't wake me up

I'm someone new

The perfect girl who's right for you

I want it all

I want the pain

When you are gone it rains

REPEAT CHORUS

Orchestra drown me

I'm deaf in sound sleep

REPEAT CHORUS
