

Michale Graves, Dawn Of The Dead

Dawn of the dead
Sleeping in time
Escaping tombs
Black insanity

Sick world of zombies
Detonation BLVD.
Run for your life
As you scream

We are the end
Of the world
Good night, farewell

Dawn of the dead
We've been having horrible dreams
Sick world of zombies
And soulless beasts

Earth is ignited
Detonation BLVD.
Run for your life
As you scream

We are the end
Of the world
Good night, farewell
