

Michale Graves, Radio Deadly

Will you dance
Two step killers
Violent moshing circles
Sick romance
Absorb transmission

Will you storm
Bangers, boots and
Bodies crushing bodies
Picked up off the floor
You'll die to hear favorite song

Radio deadly
Radio deadly
Radio deadly

Dying days of dreams
We'll smash our TV's
We don't need their visions
'Cause they're wrong

We stand at arms
Fiendish fiends are brothers
Taking back these violent streets
Rise at dawn
Requesting all our monster songs
