

Michale Graves, Storybook And Rhyme

Bye, bye, bye
Handsome handshakes, poison wine
Blue eyed devil, mace and lye
Storybook and rhyme

My, my, my
Razor face, hot night, divine
Lebel edge and dead straight line
Storybook and rhyme

Oh my, my
Endless pages
Tales of rage
Loving sonnets
Long lost days
Scenes of yesterday

Someone's screaming
I must still be dreaming
The corpses are all hanging
From the ceiling

Hi, hi, hi
Baby brace, fake face and crime
Heavy metal, mace and lye
Storybook and rhyme

Die, die, die
Rigor mortis, moonlit night
Squelching sirens, candlelight
Storybook and rhyme

Someone's screaming
I must still be dreaming
The corpses are all hanging
From the ceiling
