Michale Graves, Tell Me

so tell me
have you been all right?
sorry i had to call you
in the middle of the night
i was scared the miles were
monsters in the van
i was scared at the funeral
when they told me that i was dead!
tell me all about it
tell me are you feeling sicker inside...oh my!
tell me all about it at least just lie!
don't you just want to die?
so tell me
have you been allright?
when i dress up in scarecrow
she dess up in white, oh my
so tell me
so tell me
so tell me
so tell me
