

Michalle Featherstone, We're man and wife

All the things you are to me
Darling you have set me free
Always give you what you need
and what you deserve
All the joy and all this love
I know that it is from above
And now together there's enough to fill this world
'Cause you are the love of my life
You are the love of my life
And now we're man and wife
All the things that you will do
And now i'm standing next to you
And darling I will see you through the rest of our lives
With you beside me I have won
I'm glad i've waited for so long
There is no doubt that you are the one
for me
You are the love of my life
You are the love of my life
There'll be times(we make the time)
There'll be things(we will bring)
Everything is going to be fine
Now you're in my life
So I give you heart and soul
It's yours to take wherever you go
Through the years you'll always know it's yours to keep
God has blessed this sacred vow
Angels line above and look down
See the two of us, we found the perfect love
You are the love of my life
You are the love of my life
You are the love of my life
Yeah, you are the love of my life
Now we're man and wife
We're man and wife
Now we're man and wife
We're man and wife
We're man and wife
