

# Michele Morrone, Dad

I wasn't a miracle  
one more ... form  
I didn't know what to do  
and I live on my own

I know it's matter to know what it's the love  
you know what I mean  
it's something precious  
those are my days  
used my legend  
look at me now  
I am a dad

words don't..  
my mistakes  
I don't care about  
look at me now  
I am a man

I do mistakes  
my mistakes
