

# Michelle Branch, Breathe

I've been driving for an hour  
Just talking to the rain  
You say I've been driving you crazy  
and its keeping you away  
So just give me one good reason  
Tell me why I should stay  
'Cause I dont wanna waste another moment  
in saying things we never meant to say  
And I Take it just a little bit  
I, hold my breath and count to ten  
I, I've been waiting for a chance to let you in  
If I just breathe  
Let it fill the space in between  
I'll know everything is alright  
Breathe  
Every little piece of me  
You'll see  
Everything is alright  
If I just breathe  
Well it's all so overrated  
In not saying how you feel  
So you end up watching chances fade  
And wondering what's real  
And I Give you just a little time  
I, Wonder if you realize  
I've been waiting till I see it in your eyes  
If I just breathe  
Let it fill the space between  
I'll know everything is alright  
Breathe,  
Every little piece of me  
You'll see  
Everything is alright  
If I just breathe  
Breathe  
So I whisper in the dark,  
Hoping you hear me  
Do you hear me?  
If I just breathe  
Let it fill the space between  
I'll know everything is alright  
Breathe,  
Every little piece of me  
You'll see  
Everything is alright  
Everything is alright if i just breathe... breathe  
I've been driving for an hour  
Just talking to the rain
