

# Michelle Branch, Find My Way Back

I used to get away with so much  
Now I can't get away  
I even thought that it was simple  
To say the things I wanted to say

And you told me  
Everything I wanted to hear  
And you sold me  
Now I don't know how I should feel  
I should know me  
And baby you would think I'd know better, oh ohh, yeah

I'm finding my way back to you  
And everything I used to get  
And waiting is all that I can do  
Until you find your way back to me

What if I said what I was thinking  
What if that says too much  
When everybody's got a reason  
I feel like giving up

And you told me  
Everything I wanted to hear  
And you sold me  
Now I don't know how I should feel  
I should know me  
And baby you would think I'd know better oh woo

And I'm finding my way back to you  
And everything I used to get  
And waiting is all that I can do  
Until you find your way back to me  
Until you find your way back to me  
Oh until you find your way back to me

I used to get away with so much  
I'm finding my way back to you  
And everything I used to get  
And waiting is all that I can do  
Until you find your way back to me yeah ho whoo oh yeah oh

And waiting is all that I can do  
Until you find your way back to me oh  
I used to get away with so much
