

Michelle Branch, Finding My Way Back To You

I used to get away with so much
Now I can't get away
I even thought that it was simple
To say the things I wanted to say

And you told me
Everything I wanted to hear
And you sold me
Now I don't know how I should feel
I should know me
And baby you would think I'd know better, oh ohh, yeah

I'm finding my way back to you
And everything I used to be
And waiting is all that I can do
Until you find your way back to me

What if I said what I was thinking
What if that says too much
When everybody's got a reason
I feel like giving up

And you told me
Everything I wanted to hear
And you sold me
Now I don't know how I should feel
I should know me
And baby you would think I'd know better oh woo

And I'm finding my way back to you
And everything I used to be
And waiting is all that I can do
Until you find your way back to me
Until you find your way back to me
Oh until you find your way back to me

I used to get away with so much
I'm finding my way back to you
And everything I used to be
And waiting is all that I can do
Until you find your way back to me yeah ho whoo oh yeah oh

And waiting is all that I can do
Until you find your way back to me oh
I used to get away with so much
