

# Michelle Branch ft. Justincase, Without You

J: It's been 2 weeks and 3 days long.  
I'm all alone, since you've been gone.  
I can't keep myself from asking why  
Just wanna see my reflection, in your eyes.

MB: Just know that I'm with you,  
And what you feel, I feel it too, yeah.

[Chorus]:

I'm feelin lately, I'm goin crazy.  
Wonderin how I'll go on without you.  
I keep on tryin, slowly dyin,  
thinkin about I need you here with me.

MB: I wear your shirt, the scent of you,  
reminds me of the night, when we became two  
There's nothing else that feels the same,  
Everyday there's sun it feels just like rain.

J: Just know that I'm with you,  
And what you feel, I feel it too, yeah.

[Chorus]

MB: If you think it's easy for me,  
Well, you're wrong.  
Sometimes I'm weak and baby you know  
I'm not that strong.

J: You're in New York and I'm in LA,  
there's so much to tell you,  
words I need to say.

But your phone keeps ringin(ringin, ringin)

[Chorus]

I'm feeling lately, I'm goin crazy  
(I need you here with me)  
Wonderin how I'll go on without you  
(How will I go on without you?)

J: It's been 2 weeks and 3 days long,  
I'm all alone since you've been gone.
