

# Michelle Branch, I'll Always Be Right There

When you're all alone and you need a light.  
Someone to guide you, through the night.  
Just remember that I am here, to hold you close and dry your tears.  
Just when you thought you were falling.  
Then you know I'll always know I'll always be right there.  
When you're all alone and you need a friend.  
Someone to help you to the end.  
When you need someone to catch you when you fall.  
I'll be there through it all.  
Just when you thought you were losing.  
Then you know I'll always be right there.  
I'll be there through the good times and the bad.  
And we'll be there for each other.  
Cus you're the best friend I ever had.  
Just when you thought you were falling.  
Then you know I'll always be right there.  
When ever you need me, I'll always be right there.  
I'll always be right there.
