

Michelle Branch, I'll Be Right There (Remix)

When you're all alone
And you need a light
Someone to guide you
Through the night
Just remember
That I am here
To hold you close and dry your tears
Just when you thought you were falling
You know I'll be right there

When you're all alone (when you're All Alone)
Just when you thought you were losing
But you know I'll always be right there
And I'll be there through the good times and the bad
And we'll be for each other
You're the best friend I ever had
